

On Saturday I went to

swimming. I had an annoying

teacher. It was a boy. I

went with mum and dad

and Matthew. I went outside.

I painted vegetables. On

Sunday I went to my dad's

home with dad and mum

and Matthew. We had lunch

there. I went to my cousin's

home. I went with mum and

dad and Matthew. I played make up.

We put on perfume. We put on

lipstick. And we put on eyeshadow. We

looked good. I patted her dog.

When we went home for dinner we

had McDonald's. With mum I played

barbie carts and it was fun.

✓ Brilliant work
