On Tuesday the 25th February 2014, Matthew McDonough and Troy Chaplin from the Richmond Football Club came to Burwood Heights Primary School to give a football clinic to some very lucky students.

The two football champions led the students in a number of intense drills, focussing on their speed, agility and ball awareness. It was a sight to see—footballs were flying everywhere, students were sprinting at full flight towards the ball, handballs were being exchanged.

We would like to thank the Richmond Football Club for the time they took to give us such an exciting and fun-filled clinic and a big congratulations to the students who participated in the clinic. Now bring on Footy Season!
