

The Garden Express

Upgrades!

Amber and Tegan have now moved the rabbit hutch to their cubby. Also now the bunnies are allowed to stay in Amber and Tegan's cubby until they move on and go to high school. We have

been having a lot of customers and they very much like Grumpy and Narnia but the only thing is they come into our cubby when they're not aloud and we dislike it when we don't know what they're doing with the rabbits. Please, give the rabbits some privacy when Amber and Tegan aren't around! Continues on page 2

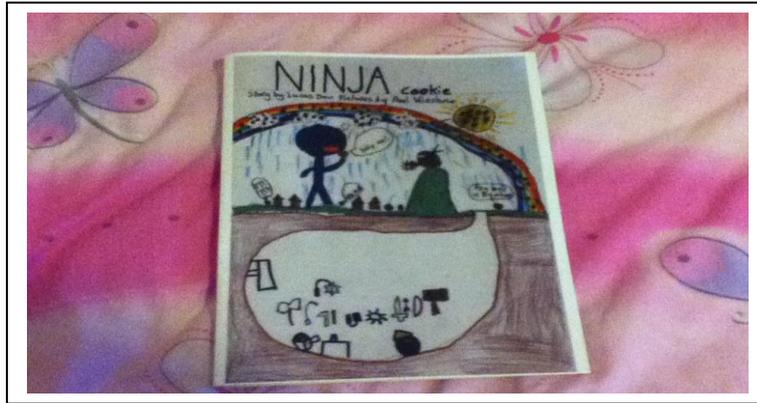

Devils or not?

Beware the chooks. One day at recess Amber and Tegan went to the garden to check on the rabbits. For some reason Amber was being chased by a white chook. It nearly pecked her leg. Then when we saw eggs in the hutch we realised that we should grab them and give it to our wonderful kitchen for the lovely Miss. Whitfield. When we came back a gang of brown chickens was right near the DOOR AND WHEN WE OPENDED THEY RAN TO US LIKE WILD CHOOKS AS IF WE HURT ONE OF THEM! Continues on page 2

Upgrade!

Yes, Amber and Tegan had an upgrade in their cubby. The cubby is a bit bigger and lucky enough they had enough space to put the bunny hutch in their cubby because it's quite big. Also the rabbits now have a connection to Amber and Tegan. Grumpy has also learnt to jump VERY high! He jumped over a fence all the way to the right side of the cubby. 😊

Devil or not?

We do not know if the chickens are just grumpy from all of the cold weather we've been having. If they are it's not a big surprise that they're like that. Sometimes I (Tegan) get grumpy in the cold but it's rare. Also more stories about the chickens and Amber and Tegan. When they were taking out the eggs to the kitchen one of the white chickens that laid the eggs and luckily they made it out. We're not saying the chickens are bad it's just like their having a little problem with the cold that's all. 😊
