

BURWOOD HEIGHTS PRIMARY SCHOOL

Dear Parents,

Your child's class will be using the Mathletics program to support all aspects of the mathematics Curriculum in the classroom and to give additional practice at home. Mathletics is a web-based learning program, which integrates home and school learning via the internet. Mathletics covers Prep to Year 12 Australian Maths Curriculum and is currently used and trusted by more than 10,000 schools and over 3.5 million students worldwide.

The benefits of Mathletics:

- Students are engaged and motivated to learn.
- Mathletics is adaptive. It responds to your child's individual strengths and weaknesses.
- Students instantly know if they are on the right track and can work through the curriculum at their own pace.
- Animated support guides students through concepts. It is like having a Mathematics tutor 24 hours a day.
- 'Live Mathletics' fosters a stimulating and exciting on-line learning community where students can practise number facts. The improvement in the accuracy and speed of responses by students who used the program last year was amazing.
- Creates the perfect link between home and school, results can flow seamlessly.
- You can sign up to receive weekly parent emails that allow you to monitor your child's progress.
- Teachers can view your child's progress, set appropriate tasks for individual students, print out reports and adapt class work accordingly.
- Your child will have 24 hour access to Mathletics through the use of a username and password.

Similar online programs, which can be accessed from home, cost hundreds of dollars. This year, Mathletics will cost \$8.50 for every student account. Any student, who does not have an internet connection at home, will be given the opportunity to have extra access to the program at school.

Please complete the form below and return it with the payment, to your child's class teacher. Your child will receive their username and new password for 2012 when payment has been made.

Chris Rhyder
(Mathletics Co-ordinator)

MATHLETICS PROGRAM 2013

Child's Name: _____ Class: _____

I enclose \$8.50 as payment for my child's access to the Mathletics Program for 2013.

We Do / DO NOT have internet access at home.

Signed: _____

Date: _____
