**BURIED TO DEATH!!**

People didn't know the day that a 6.3 magnitude earthquake occurred. At the centre of Christchurch, houses, loved ones, buildings and hearts were destroyed. Thousands of people lost loved ones, and their homes, and were left homeless. Due to the pipe explosions, fires happened, and some people were still missing. Luckily, 100 people were rescued from the buildings and brought to the hospital to treat their wounds.

Hundreds of people had serious injuries and thousands of people lost their homes and loved ones. 100,000 houses of salt were all over the streets due to the pipe explosions, fires happening, and CFA dealing with them. Gas leaks were affecting babies. People in Christchurch woke up at 150.00 for about 145 seconds. The earthquake caused a huge rate of destruction and 1500. Now all we can do is hope for the future. People who have severe injuries are alright. CFA dealing with the fires. Firefighters are rescuing more survivors, and people are reunifying with their loved ones again. We wish them the best!

**Tragic Accident**

When the earthquake hit, 6.3 magnitude, the 3rd strongest earthquake to hit Christchurch and took about 10.00 the 3rd strongest earthquake in New Zealand. People can't build worldwide. People can't move. The boy said, 'I don't want to live anymore if my family is gone'. The young boy is now being cared and treated at the hospital. The fire fighters and local volunteers are still looking for any survivors in the wreckage and hope that the boy and his family will unite and start a new, healthy journey ahead of them!
