Your child has been selected to attend our first adventure to Kinross Farm. Located in the foothills of Victoria’s Great Dividing Range, Kinross is a family owned and managed business that produces eggs. We will be going in for a ‘behind the scenes’ tour to see how the whole farm operates. This includes:

- Undergoing a safety induction
- Visiting the bird sheds (housed hens and caged hens)
- Walking through the grading floor to see how eggs are packaged for supermarkets
- Observing the incubation facility to see how eggs are used to make flu vaccines
- Witness the feed mill to see how diets are made for the birds and how this feed is changed based on the bird’s age.

Students will need to arrive at school by 7:40am. Peter Le Ray will drive the bus to Kinross where we will undertake a two hour tour of the farm. We should arrive back at school by 1:00pm. Students will need to bring their own hat, water bottle and recess snack.

Please return the permission form and payment of $5.00 by Monday 25th February

Regards,
Chris Rhyder & Peter Le Ray
(Real Life Adventurers)
