On Wednesday 22\textsuperscript{nd} February, the Level Three and Four students took the bus to Knox Athletics Track to participate in our annual House Sports. Despite running half an hour late because of the buses, the day ran smoothly with the help of staff, students and parents and we ended up finishing in record time. The weather was also bright and sunny, the students were enthusiastic and the day was enjoyed by everyone at the event. The students jumped, ran and threw to the best of their abilities, all the while cheering on their fellow house mates. It was quite an assortment of coloured hair, wonderful face paint and house banners flying in the air. The students definitely stepped up to the challenge to demonstrate their House Spirit! Individual Spirit Awards were given to Katrina Nikpour, Georgie Kirkwood, Sabina Aitken, Thomas Landrigan, Jack Hamilton, Katrina Yannacopoulos, Ella Baensch, Oscar Aitken, Ben Harfield, Keith Ngugi, Jennife Barr and Mikayla Wiles for encouraging their fellow peers, being excellent role models and trying their best in each event. A highlight of the day was the highly competitive staff/parent/student relay race. With amazing speed and wonderful effort, the strong contingent of parent runners finished in the lead, the students coming second and sadly the staff, which had been undefeated for eight years, were finally given the wooden spoon, coming last. In the end, Kenny House were awarded extra house points for their gold flair, wonderful chanting and first-rate spirit. Florey House were the overall winners for the events, scoring the most amount of points for their house.

Florey House: 5050 points
Flynn House: 4770 points
Cowan House: 3650 points
Kenny House: 2920 points

Congratulations also go to our overall Athletics Champions:
9 Boys: Bailey Dobson
9 Girls: Katrina Nikpour
10 Boys: Ben Harfield
10 Girls: Yasmyne Chung
11 Boys: Edward Hoang
11 Girls: Georgie Kirkwood
12 Boys: Muhaned Allagabu
12 Girls: Sandra Kuoch

We would like to thank and congratulate the students for their outstanding sportsmanship and competitive spirit, the teachers for their stalwart dedication to creating a day to be remembered by all and to the parents for volunteering their time to help supervise and, quite literally, run in the events.
