FROM THE PRINCIPAL … Esther Wood

WELCOME BACK TO OUR RETURNING FAMILIES AND WELCOME TO OUR NEW FAMILIES.

What a wonderful start we have had to our school year! I congratulate staff, students and parents on the extremely successful commencement to 2015. I welcome all our new families to our school community.

All the Prep students have settled in “like ducks to water” and their parents have coped very well also. I know Ms Morgan, Ms Politino and Mr Miet are very enthusiastic and excited at the prospect of teaching this new group of vibrant and keen students.

Our youngest school community members (three and four-year old kindergarten children) have had shortened sessions this week before they commence their designated times. Mrs Jenny de Kretser, Ms Nicole Blanchard, Mrs Karen Sinis and Ms Scurrah have also been thrilled at their interesting four-year old charges, as have Ms Nicole Blanchard and Ms Scurrah, our three-year old children. It has been wonderful to see the progression of our 2014 kindergarten students into “the big school” as our 2015 Preps. I’m sure they will enjoy their revisit to the kindergarten in March.

STAFFING FOR 2015

I welcome Ms Jessica Ralph, Ms Lauren Redlich and Mr Todd Mackie to staff this year. I know they will enjoy being on staff and add much to the teaching and learning environment.

I believe we will all have a very exciting and extremely successful 2015 school year.

NOTICE OF SCHOOL COUNCIL ELECTIONS AND CALL FOR NOMINATIONS

An election is to be conducted for members of the Burwood Heights Primary School Council for 2015. There are six vacancies on School Council for four (4) parent members and two (2) Department of Education and Training (DET) members. Nomination forms may be obtained from the school and must be signed by 4.00pm 13th February 2015. If a ballot is required this will close on Friday 28th February 2014.

There are three possible categories of membership. A mandated elected parent category. More than one third of the elected members must be from this category. DET employees can be parent members of their school.

A mandated elected DET employee category. Members of this category may make up no more than one third of the total membership of school council. The principal is automatically one of these members.

An optional community category. Its members are co-opted by decision of the council for their special skills, interest and experiences. DET members are not eligible to be community members.

Where the number of nominations equals the number of vacancies in any one membership category, there will be no need to go to ballot. If the number of nominations exceeds the number of vacancies, a ballot is required.

LEADERS’ DAY

Last Friday, the Level Four staff conducted Student Leaders’ Day, under the leadership of Mrs Herdman, where all the Year Six students worked together to understand more about why we have student leaders and what it takes to be effective ones.

It was a most rewarding day for students and teachers, with everyone understanding their roles and responsibilities and valuing what leadership means…and thoroughly enjoying the lunchtime pizzas!

CLASS BARBEQUES

What wonderful evening we had on Monday for the class barbeque for our Prep students. Feedback has been extremely positive and it is certainly a great way for parents to meet other parents in such a wonderful environment. The weather was very kind to us which also made a huge difference.
Next Monday night is the Kindergarten barbeque.

INFORMATION NIGHTS

This week Information Nights have been conducted for Levels Two, Three and Level Four is being held tonight. I do hope that you have all found these sessions very enlightening and assisted you in gaining a sound understanding of the curriculum taught at each level and the expectations we have for the students.

INTERVIEW TIMES

All students have brought home with them this week a notice informing you of the available times for your child/children’s teachers to meet you. This will provide an opportunity for you to inform your child/children’s teacher of any personal information, issues or concerns.

NO HATS! NO PLAY!

A reminder that it is compulsory to wear hats during Terms One and Four. Students not wearing hats are asked to sit outside in the shade rather than play in the sunshine.
**SCHOOL NURSE**

Sarah Maxwell, a visiting primary school nurse from the Department of Education and Training will be attending the school next week to conduct the Prep Health Assessments and to see other children as requested by parents or teachers (with parents’ consent).

The purpose of the visit is to provide all Victorian children with the opportunity to have a health assessment; to link children and school communities to services available in the community; and to provide information and advice that promotes health and well-being.

Parents are invited to visit or telephone the visiting primary school nurse if there are any general child health issues they wish to discuss. The contact number for the visiting primary school nurse is 0412 161 467.

Parents of students (other than Prep students) that wish their child to be seen by the school nurse need to complete a Referral form that is available at the school office. This completed Referral form needs to be returned to the school office by Monday 9th February 2015.

**MINDFUL MOVEMENT PROGRAMME**

As most of you will know we are undertaking a research project titled the Mindful Movement Project. In line with our school’s philosophy of “teaching the whole child” we have included “Awareness Through Movement” lessons (The Feldenkrais Method) into the programme curriculum for Prep P, 1/2P and 1/2V.

Such lessons focus attention on subtle body movement explorations, and help participants discover the links between mind and body. This programme incorporates both awareness through movement exploration, along with more typical mindfulness practices.

**SCIENCE**

The total engagement of the students in the first Robotics class was most rewarding. Mr Rhyder and Mr Baeppler had spent much time planning the sessions and were as excited as the students. We can all see that this is going to be a very popular science session this year.

**PARKING RESTRICTIONS**

FOR NEW PARENTS IN PARTICULAR

The provision of school crossings is an important service in providing a safe environment for our students.

To support the school crossing supervisors and to improve pedestrian safety outside our school, a number of parking restrictions are in place, including No Stopping areas. The “No Stopping” areas are in place to improve sight lines for motorists and school crossing supervisors to maximise the crossing’s exposure and safety of pedestrians.

Please be aware that you must park legally at all times. We have been advised that authorised officers will be patrolling schools crossings throughout the year.
**SCHOOL UNIFORM**

It is quite apparent that there are some students who are not complying with the school’s uniform.

For your information the following applies.

**Girl’s (Summer)**
Girls can wear royal blue culottes or royal blue shorts and a gold polo neck shirt, all of which are available through the school. Girls may also wear a blue and white “A” line short sleeve dress available in such stores as K Mart and Big W. Royal blue bike shorts may be worn under the dress, but no longer than the dress length. Socks are white and shoes are black.

**Girl’s (Winter)**
Royal blue track pants, royal blue bootleg pants or royal blue culottes and a monogrammed windcheater are available through the school. The gold polo shirt can be worn under the windcheater. Long sleeve gold polo tops and a royal blue bomber jacket, with a gold striped rib, are also available. White socks and black shoes are worn.

**Boys’ (Summer)**
Royal blue shorts and gold polo neck shirt, which are available through the school.

**Boys’ Winter/Spring**
Royal blue track pants and a monogrammed windcheater are available through the school. The gold polo shirt can be worn under the windcheater. Long sleeve gold polo tops and a royal blue bomber jacket, with a gold striped rib, are also available. Grey or white socks and black shoes are worn.

**Hats**
Slouch hats with the school logo are available from the school. These hats are in line with the Department of Education and Teaching and Anti-Cancer Council guidelines. It is compulsory to wear the school hat from September 1st to 1st May and the school encourages students to have a hat in their bags at all times.

**Footwear**
Acceptable footwear includes black lace-up shoes, black T-bar sandals, black velcro shoes and black runners. **Thongs and open-toed sandals are not acceptable at school.**

**Please make sure that all articles of clothing are clearly named.**
ALL STUDENTS SHOULD BE IN CORRECT UNIFORM. If you are having difficulties in this area please let us know.

**PERSONAL ITEMS BROUGHT TO SCHOOL AT OWNER’S RISK**

Personal property is often brought to school by students, staff and visitors. This can include mobile phones, calculators, toys, sporting equipment and cars parked on school premises.

**Please note that the Department of Education and Training does not hold insurance for personal property brought to schools.**

**SUPERVISION OF STUDENTS**

A reminder to all parents that there is **no teacher on duty until 8:45am** and that unless prior arrangements have been made, students **should not** be arriving at school until 8:45am. This gives students plenty of opportunity to catch up with friends or have a play prior to starting the school day at 9:00am.

There are, however, occasions when a student/s may need to be at school prior to this time. Parents **MUST speak to Mrs Mason or Mrs Millen at the office if this is necessary.** Such students must sign in at the office prior to going to the assigned classroom. They will be required to sit at a table or may choose to sit on the floor and need to bring something quiet from home to do during this time. Students may chose to bring a book to read, a colouring book and pencils or might choose to complete their homework during this time. No electronic games are permitted at school.

I know that you will respect the right of teachers to arrive early at school in order to prepare work without additional responsibilities of...
supervision by complying with this matter of student supervision. 
Thank you.

REAL LIFE ADVENTURES
Stimulating interests. So connections to the world develop.

Tomorrow the first of many Real Life Adventures takes place. After all the planning the day has finally arrived…or nearly! Tomorrow they will be sailing on Albert Park Lake. This will be a wonderful experience for the attending students and I’m sure for Mr Le Ray and Mr Rhyder. We might have a future America’s Cup skipper in the making. What an adventure!

**LICE DETECTION**

I ask that every parent regularly check their child’s/children’s hair for lice. Apparently the very dry weather we have had, has helped to create a wonderful breeding environment for these pesky critters. Maybe the recent rain will make a difference!

Please refer to attached Lice Information Paper.
