SENIOR SCHOOL CAMPERS HEAD HOME TOMORROW FROM BEECHWORTH

Despite the high temperatures this week, the daily reports have declared that the camp has been most successful. It has indeed been a wonderful experience for our students and one that they will remember fondly all their lives. I thank the attending staff for their supervision and care of every student this week. They have all accepted the responsibility and all this entails of their positions willingly and enthusiastically, in order to provide the students with the opportunities they have had. I’m sure your families are looking forward to your return.

I thank the staff based back at school for taking on the additional workload that freeing the camp supervising staff would normally carry out. I’m sure everyone is looking forward to being in their own bed tomorrow night. I thank you all.

SECONDARY SCHOOL PLACEMENT – 2016
I know that many parents have visited secondary government and non-government schools, already in preparation for their child/children transitioning to Year Seven in 2017. The state-wide placement timeline and procedures are as follows for those students wishing to enter a government school in 2017:

Information regarding secondary education and Application for Enrolment (Year Seven) forms will be distributed to Year Six students on Tuesday, 12th April. These will be returned to Burwood Heights Primary School by 13th May. We will then submit all initial placement requests to the secondary school. We will notify parents of the results of the placements applications, in writing, on 10th August. Orientation Day will be conducted on 6th December.
During Term One, the Junior School students are given an opportunity to participate in Syndal’s “Just Swimming” program. Each Thursday and Friday from week 5 until the end of term, students leave school and attend the pool where they learn a variety of swimming techniques in groups. Students also learn about the importance of being safe and how to behave around water. After their first few days of swimming, 1/2P wrote a short reflection about their time spent at Syndal, describing what they did and how they felt after starting the program.
Even though the weather this week is telling us otherwise, Autumn will soon be upon us. We enjoyed this salad with the first of the new season's pears. Their sweetness contrasts nicely with the saltiness of the feta, and the chapons are a nice change from the more usual croutons. I hope you enjoy this dish as much as we did.

**Butter lettuce and pear salad with garlic chapons**

- ½ a bulb of garlic (about 5 cloves)
- 1 large butter lettuce
- 1 bread stick, sliced
- 2 pears
- 50g fetta
- 2 Tbls red wine vinegar
- 2 Tbls olive oil
- 2 Tbls natural yogurt

1. Pre-heat oven to 150 degrees.

2. Lightly rub your garlic cloves with oil, wrap in foil and roast on a baking tray for 30 minutes.

3. Meanwhile wash and separate the lettuce leaves and spin dry them in the salad spinner. Arrange the leaves on a platter.

4. Slice pear into thin wedges and arrange on the salad platter amongst the lettuce leaves.

5. When garlic is roasted, remove foil and place it into a small bowl. Mash it slightly with a folk. It will smell amazing.

6. Slice baguette into 2 cm slices and smear a little of the roasted garlic paste onto each piece. Bake chapons/ croutons in oven until lightly browned and hard (10 minutes). Be careful not to burn the bread!

7. To make the dressing combine all the oil, yogurt, vinegar, salt and pepper in a bowl and whisk.

8. Place bread onto the salad platter, drizzle salad with dressing and crumble with fetta cheese. Serve.
Choir Performance
at the
Walk for the Monash Children’s Hospital
Congratulations to all the Choir students who gave a wonderful performance when they represented the school at the Walk for the Monash Children’s Hospital over the weekend. Ms Crystal aptly led the Choir as they performed, ‘On Top of the World’ and ‘True Colours’ Thank-you to all the families involved for giving up your time on a Sunday to provide the students with the opportunity to give back to the community. Looking forward to many more Choir performances this year, including the Anzac Service and Open Night Concert in Term Two.
HELP WANTED!
We are in urgent need for volunteers to assist in the maintenance of our Outdoor Learning Classroom – fondly known as the “Garden Annex”.

- Our vegetable and flower beds require constant removal of weeds, seedlings need to be planted and there is always pruning to be done.

If anyone has a little time to spare we would be most grateful if you could assist in any way.
Please contact the school on 9803 8311 or speak to Kristy at the front office.
