Reading:
Read for 15 minutes every night and record in your diary.

Handwriting:
Write out the alphabet in your best joined writing. Remember to write both capital and lower case letters. (Join up and pen licences will be given out this term).

Mathematics:
Practise your 0x and 1x tables
(be prepared to explain how you practised)

Capacity
What containers in your house have the capacity marked at less than 500ml, and what containers have the capacity marked more than 1 litre? Ask your parents and siblings to help you. Write your responses in your best writing.
