Level 3 Homework

Reading:
Read for 15 minutes every night and record in your diary.

Spelling:
Write and learn spelling words and then write them out in alphabetical order

Mathematics:
Practise your 5x and 10x tables
(be prepared to explain how you practised)

Digital and Analogue Time
Make a list of all the time-telling devices in your home, where they are located and whether they are analogue or digital. For example, digital clock on oven in the kitchen, analogue clock on wall in family room.
