Reading:
Read for 15 minutes every night and record in your diary.

Spelling:
Write and learn spelling words. Choose some of these words and add the suffixes ed and ing to make different words. Example time—timed, timing

Mathematics
Practise your 6x tables
(be prepared to explain how you practised)

Look at home for five examples of tessellations. Write a list of them, and for each one explain the shapes that make up the tessellation.
