Reading:
Read for 15 minutes every night and record in your diary.

Spelling:
Practise your spelling words. Choose some words and add the suffixes ed and ing to make new words. Example time—timed, timing

Mathematics
Practise your 11x tables.
(be prepared to explain how you practised)

Think about events that could happen at home in the next week. Write one event that is certain to happen, one that is unlikely to happen, one that has an even chance of happening and one that is unlikely to happen.
